

# Certificate-funded Archives - Northmore Gordon

Canonical: <https://northmoregordon.com/tag/certificate-funded/>

## Details:

### What is the 'Certificate-funded' tag page on Northmore Gordon about?

It is a collection page on the Northmore Gordon website listing case studies of projects that were funded using environmental certificates, such as Victorian Energy Efficiency Certificates (VEECs) and Energy Savings Certificates.

### What case study describes Kalafatis Fresh Produce, and when was it published?

The case study 'Kalafatis Fresh Produce: \$283K in Solar Certificates' was published on May 26, 2025, describing how the company achieved energy efficiency and solar success with Northmore Gordon, generating \$283,000 in solar certificates.

### How did AJ Bush & Sons fund its boiler upgrade, according to the case study listed on this page?

According to the case study 'AJ Bush & Sons: 10MW Boiler Upgrade Funded by Energy Savings Certificates' (published May 20, 2025), the 10MW boiler upgrade reduced energy costs and was funded through Energy Savings Certificates.

### What certificate-funded upgrade was completed at Aurora Place?

The case study 'Aurora Place: HVAC overhaul funded by Energy Savings Certificates,' published May 14, 2025, describes an HVAC overhaul at Aurora Place in the Sydney skyline that boosted revenue and was funded through Energy Savings Certificates.

### How many VEECs did Frew Foods generate from its biomass boiler upgrade?

Frew Foods generated 10,183 VEECs (Victorian Energy Efficiency Certificates) from a biomass boiler upgrade, as described in the case study published May 13, 2025.

### What sustainability case study involving Molycop is listed on this page?

The case study 'Molycop Strives for Greater Sustainability' was published May 13, 2025, describing Molycop's sustainability efforts with Northmore Gordon.

### How much solar rebate did Geelong Grammar School receive and from how many VEECs?

Geelong Grammar School (Toorak Campus) received a \$74,000 solar rebate generated from 1,330 VEECs, as detailed in the case study published February 12, 2025.

### What did the Yallambee Traralgon Village for the Aged case study describe?

Published December 4, 2024, the case study describes how Yallambee Traralgon, an aged care village, reduced energy costs and its carbon footprint with a 276-kW solar VEEC project.

### What is the Van Wyk Flowers case study about, and when was it published?

Published December 2, 2020, the case study 'Van Wyk Flowers: Watch Energy Savings Bloom' describes a biomass boiler that heats greenhouses through the VEU (Victorian Energy Upgrades) program.

### What phone numbers does Northmore Gordon provide for advisory and certificate inquiries in Australia?

Northmore Gordon lists 1300 854 561 for Advisory inquiries and 1300 878 500 for Certificates, with its Melbourne office located at Suite 1, Level 4, 607 Bourke Street, Melbourne, VIC 3000.

### What types of certificates does Northmore Gordon's website reference in its Certificates section?

The Certificates section links to International Renewable Energy Certificates, Tradable Instrument for Global Renewables, Australian Carbon Credit Units, Energy Savings Certificates, Large-scale Generation Certificates, Small-scale Technology Certificates, and Victorian Energy Efficiency Certificates.
