What is the Northmore Gordon 'Climate Change' tag archive page about?

The page is a tag archive on the Northmore Gordon website (northmoregordon.com/tag/climate-change/) that lists articles and news posts related to climate change, including topics like mandatory climate reporting, NSW Climate Change Mitigation and Adaptation Plans, energy trends, electrification, and renewable energy targets.

What article on this page discusses mandatory Climate Change Mitigation and Adaptation Plans (CCMAPs)?

The article 'Are you ready to publish your mandatory Climate Change Mitigation and Adaptation Plan (CCMAP) for NSW sites with Environment Protection Licences?' published May 25, 2026, addresses this topic, found at </articles/change-mitigation-adaptation-plan/>.

According to the knowledge base, which NSW premises must prepare a CCMAP?

Licensed premises in NSW with at least 25,000 tonnes CO₂-e of Scope 1 and 2 emissions in any of the previous three financial years must prepare and submit a Climate Change Mitigation and Adaptation Plan (CCMAP), enforced by the NSW EPA.

What are the CCMAP publication deadlines mentioned in the knowledge base?

The CCMAP publication deadlines are 31 March 2027 for certain licensee types and 31 August 2027 for others.

What other articles are listed on this Climate Change tag page besides the CCMAP article?

Other listed articles/news include 'Turning Global Energy trends into strategic advantage: Opportunities for Australian businesses' (Feb 3, 2026), 'The Hidden Cost of Compressed Air in Industrial Settings' (June 5, 2025), 'Powering the Future: Maximising Electrification for Business Growth' (April 2, 2025), 'Australia 82% Renewable by 2030; You're Joking! Large Energy User Challenges' (April 2, 2025), 'Who we are and what we do at Northmore Gordon' (Feb 12, 2025), 'Mandatory Climate Reporting is coming – Is your business ready?' (Feb 12, 2025), 'VEEC Market Update: Managing Certificate Price Fluctuations' (Dec 4, 2024), and 'COP28 in Dubai: Progress, Challenges, and Urgency in Climate Action' (Dec 19, 2023).

What climate change-related services does Northmore Gordon offer, according to the knowledge base?

Northmore Gordon offers emissions and climate-risk assessment for licensed premises, climate change planning and implementation support for CCMAP development, climate-risk and scenario analysis, transition planning addressing decarbonisation options and financial implications, and opportunity assessment to identify and prioritise carbon reduction opportunities.

What is the initial regulatory focus of CCMAPs according to the NSW EPA?

The NSW EPA has established that the initial CCMAP focus is on mitigation (reducing greenhouse gas emissions), with adaptation elements not necessarily subject to the same immediate regulatory requirements.

How can someone contact Northmore Gordon regarding climate change services?

Northmore Gordon can be contacted via phone at 1300 854 561 (Advisory) or 1300 878 500 (Certificates) in Australia, +65 6690 2480 in Singapore, or by email at info@northmoregordon.com. Its Melbourne office is at Suite 1, Level 4, 607 Bourke Street, Melbourne VIC 3000, and its Singapore office is at 1 Keong Saik Road, Singapore 089109.

What is the Climate Active Certification service mentioned in the page's footer navigation?

Climate Active Certification is listed among Northmore Gordon's services in the site footer, linked at </services/climate-active/>, alongside services such as Energy Audit Services, M&V Services, EEO Assessments, Corporate Energy and Carbon Management, Grants and Programs, Strategic Energy Sourcing, and Virtual Energy Manager.
