### ***What is the 'Industrial' tag page on the Northmore Gordon website about?***

The 'Industrial' tag page on northmoregordon.com is an archive listing articles and news posts related to industrial energy topics, published by Northmore Gordon, an Energy Efficiency Consultancy Company.

### ***What articles are listed under the Industrial tag on Northmore Gordon's site?***

The Industrial tag page lists: 'How to Approach Decarbonisation in Industrial Bakeries' (February 26, 2026), 'Industrial metering and data systems should be Technology-Agnostic and Performance-Driven' (February 26, 2026), 'Benefiting from waste heat recovery' (November 19, 2019), and 'Creating a gas measurement and monitoring plan for your industrial site' (July 9, 2019).

### ***What does the article 'How to Approach Decarbonisation in Industrial Bakeries' cover?***

This article, listed under the Industrial tag and published February 26, 2026, addresses how to approach decarbonisation specifically within industrial bakeries.

### ***What is the focus of the article on industrial metering and data systems?***

The article 'Industrial metering and data systems should be Technology-Agnostic and Performance-Driven,' published February 26, 2026, argues that industrial metering and data systems should be technology-agnostic and performance-driven.

***What is discussed in the 'Benefiting from waste heat recovery' article?***

This article, published November 19, 2019 and tagged Industrial, discusses the benefits of waste heat recovery.

***What does the 'Creating a gas measurement and monitoring plan for your industrial site' news post address?***

Published July 9, 2019, this news post covers how to create a gas measurement and monitoring plan for an industrial site.

***What phone numbers are provided for contacting Northmore Gordon in Australia?***

Northmore Gordon lists 1300 854 561 for Advisory services and 1300 878 500 for Certificates, based in Melbourne (Suite 1, Level 4, 607 Bourke Street, Melbourne, VIC 3000).

***Does Northmore Gordon have a presence outside Australia?***

Yes, Northmore Gordon has a Singapore office, contactable at +65 6690 2480, located at 1 Keong Saik Road, Singapore 089109.

***What industrial sectors does Northmore Gordon serve, according to the page's sector links?***

The page links to sectors including Animal Processing, Chemical Processing, Commercial Buildings, Food & Beverage, Manufacturing, Mining, Oil & Gas, Pharmaceutical & Health Products, Public Sector, Waste & Wastewater, and Wood, Paper & Cardboard Processing.

***According to the knowledge base, how should manufacturing companies treat energy in relation to production?***

Manufacturing should treat energy as an input to the production process, developing an operating map describing major production lines, utility systems and shifts, identifying shared services like compressed air, steam, cooling and ventilation, matching the map to meters and production records, and building investment sequences aligned with production planning and maintenance windows.
